- b. The Union certifies to the City that it has adopted, implemented and will maintain constitutionally acceptable procedures to enable nonmember agency shop service fee payers to meaningfully challenge the propriety of the uses to which service funds are put. Section 1. LAY-OFFS

During the term of this side letter, the City agrees that no represented bargaining unit member shall be laid off.

Section 2. CONTRACTING OUT OF UNIT WORK

During the term of this side letter, the City agrees that no represented employee shall be laid off, demoted, or suffer loss of pay or benefits in order to contract out for the work being performed by the represented employee unless the action results in an ongoing annual cost savings of twenty-five thousand dollars (\$25,000) or greater to the City. In the event a represented position becomes vacant, the City may contract for the service previously provided by the represented employee(s). Prior to contracting for any service previously performed by a represented employee, the City and the Union agree to enter into a meet and confer process. Nothing herein will prohibit the City from contracting for the service, upon the exhaustion of the meet and confer process.

Unless otherwise amended by the parties, this side letter shall expire on June 30, 2018 and, thereafter, shall have no further force and effect.
