Section 3.3

Impact of Management Rights

The City agrees, prior to implementation, to meet and confer with the Union over the effect of the exercise of management rights upon wages, hours, and any other term and condition of employment.

ARTICLE 4 – UNION RIGHTS

Section 4.1

Union Representatives

The Union shall have the right to appoint/elect a reasonable number of employees from the bargaining unit as representatives who are recognized by the City as officers or worksite leaders/stewards.

A recognized officer or worksite leader/steward shall be permitted, with the advance permission of the City, to leave their workstation during their regular work hours to participate on paid release time, without loss of compensation or any other benefits, in formal meetings under the City's disciplinary/grievance procedures. Such paid release time shall include a reasonable amount of time to investigate and/or prepare for such meetings. The representatives will not be entitled to compensatory time or overtime for such meetings.

Section 4.2

Meet and Confer

In the event the Union is formally meeting and conferring with representatives of the City on matters within the scope of representation during regular working hours, up to four (4) employees from the bargaining unit, but no more than one (1) representative from each department, shall be allowed paid release time, without loss of compensation or any other benefits. Such paid release time shall include a reasonable amount of time to caucus and/or prepare for such meetings.

Section 4.3

Use of City Facilities

The Union shall have use of City facilities for membership meetings and conferences, upon reasonable advance notice to and approval by the appropriate City employee. Such use is subject to applicable City regulations and availability.

Section 4.4 Bulletin Boards

The City shall make at least one (1) square foot of space available to the Union on the City's existing employee bulletin boards for the purpose of posting notices pertaining to Union business only. Notwithstanding the above, the bulletin boards shall not be used to endorse political candidates.

Section 4.5 Union Training

Each union representative shall be allowed up to three (3) days or twenty-seven (27) hours of paid release time each calendar year, without loss of pay and benefits, to attend union training. This paid release time is for regular work hours only and union representatives will not be entitled to compensatory time or overtime for any such training.

Additional paid release time, not to exceed an additional two (2) days or eighteen (18) hours per calendar year for each union representative, may be authorized to attend extended special training events or conferences. Approval for such additional paid release time shall be at the sole discretion of the City Manager.

Management is responsible for staffing to accommodate paid release time upon two (2) weeks' advance notice by the Union. No more than two (2) employees at a time may be on paid release time for union training.

Section 4.6 Union Meetings

The City shall provide each employee up to two (2) hours of paid release time each month to attend union meetings. Such meetings shall not be held during regular working hours more often than six (6) times per calendar year. In order to accommodate the staffing needs of the City, the Union agrees to provide no less than two (2) weeks' advance notice of such meetings.

The sole exception to this annual limit and required advance notice is during collective bargaining for a successor MOU, wherein the Union shall be allowed to hold union meetings as often as needed, for the purpose of keeping employees informed on the bargaining process, but not to exceed a total of two (2) hours of paid release time each month. In this event, the Union shall make every reasonable effort to provide the City with as much advance notice of the meetings as possible.

Section 4.7 Reporting Requirements

The Union shall send a list of employees, authorized to act as union representatives on behalf of SEIU (i.e. employees designated as Stewards and Board members), to the City

in January of each year. In addition, the Union shall provide the City with the name and contact information of the authorized union staff representatives for the unit. The Union shall notify the City within thirty (30) calendar days of any change in such authorized status.

Section 4.8 New Employee Orientation

The City shall notify the Union of all new employees entering the bargaining unit. The City shall provide the Union with no less than ten (10) days advance written notice of the new employee's date of orientation. Attendance at an orientation shall be mandatory for each new employee. For the purpose of this section, new employees shall be defined to include any employee new to SEIU Local 721, including but not limited to employees entering the unit through new hire, accretion, promotion or demotion.

The City agrees to provide each new employee with up to one (1) hour of paid release time to meet with their union representative to receive a copy of the most current MOU and be provided with an orientation on the benefits of union membership. The Union's presentation may include written, audio, and/or visual materials. No management representative shall be present during the Union's presentation.

In the event the union representative providing the orientation is a City employee, they shall also be provided with up to one (1) hour of paid release time in which to conduct each orientation. If more than one (1) new employee is hired within the same pay period, reasonable effort shall be made to schedule and conduct the orientations during the same time frame.

The Union shall provide the following for the City to include in their orientation packet to be distributed at the orientation:

- Applications for union membership and COPE
 - Copy of the current MOU
 - Contact information of the designated union representative(s)

Violation of this section are subject to the grievance procedure outlined in Article 16.

ARTICLE 5 – GENERAL PERSONNEL PROVISIONS

Section 5.1 Alternate Work Week

The City and Union agree that employees shall be assigned a 5/40, 9/80 or 4/10 schedule, the determination of which shall be at the sole discretion of the City.

Section 5.2

Probation

A. Initial Probation

To ensure a new employee is able to satisfy the requirements of the position for which they are hired, the first six (6) months of employment shall be considered the minimum initial probationary period. The initial probationary period is required as part of the testing process and shall be utilized for closely observing the employee's work. The City shall provide the probationary employee with at least one (1) performance evaluation during their initial probationary period.

If an employee's performance during the initial probationary period is marginal and the City needs more time to adequately assess the employee's suitability for the job, the City Manager may extend the initial probationary period for a maximum of six (6) additional months.

During the initial probationary period, an employee may be rejected at any time without cause, without advance notice, and without recourse to appeal rights.

B. Probation Following Promotion

To ensure a promoted employee is able to satisfy the requirements of the new position for which they were promoted, the first six (6) months in the new position shall be considered the minimum probationary period. This probationary period is required as part of the testing process and shall be utilized for closely observing the employee's work. The City shall provide the employee with at least one (1) performance evaluation during their probationary period.

If an employee's performance during the probationary period is marginal and the City needs more time to adequately assess the employee's suitability for the job, the City Manager may extend the probationary period for a maximum of six (6) additional months.

An employee rejected during or at conclusion of this probationary period shall be reinstated to their former classification and position.

Section 5.3

Layoffs

The City agrees that no represented bargaining unit member shall be laid off. The parties agree this provision will expire on June 30, 2020.

Section 5.4 Contracting Out

In the event all represented positions in a classification become vacant, the City may contract for the service previously provided by the represented employee(s). Prior to contracting for any service previously performed by a represented employee, the City and the Union agree to enter into a meet and confer process.

Section 5.5 Use of Part-Time Employees

In the event a represented position becomes vacant, the City agrees to fill the vacancies with another full-time employee.

Section 5.6 Promotional Opportunities

City employees shall be provided with an exclusive ten (10) day period to apply and be considered for open positions with the City before such positions are posted to the public.

Section 5.7 Joint Labor Management Committee

The parties agree to establish a Local 721 City-wide Joint Labor Management Committee to consult on productivity enhancement, training, staffing, classification structure, and other issues of mutual concern. The meetings shall be held quarterly and last for no less than two (2) hours.

The Committee shall be limited to a total of six (6) members Citywide, unless the parties mutually agree otherwise. Three (3) participants shall be appointed by the City and a total of three (3) participants representing the bargaining unit shall be appointed by the Executive Director of SEIU Local 721.

The Committee shall have the authority to develop its own internal procedures, including the scheduling of meetings. The City shall provide pertinent information as provided for under the Employee Relations Ordinance and the Public Records Act.

ARTICLE 6 – COMPENSATION

Section 6.1 Salary Increases

A. Retroactive to July 1, 2021, a 6% base salary increase shall take effect for all

bargaining unit members upon ratification and adoption of this contract.

- B. Effective July 1, 2022, a 4% base salary increase shall take effect for all bargaining unit members. In addition, a one grade level increase (5% higher than the previously held grade) for Maintenance Lead and Park Maintenance Worker shall take effect.
- C. Effective July 1, 2023, a Step F (5% higher than each respective Step E) shall be created for all bargaining unit classifications.
- D. The salary schedules listed in Appendix A shall reflect the monthly/hourly rates of all salary steps for each classification and the salary increases provided above.

Section 6.2 Merit Increases

Each employee shall be eligible for consideration of a merit based salary step increase, of no less than five percent (5%), on a continuous basis until reaching the top of the salary range for their position. Merit increases shall be awarded if the employee has an overall performance rating of “meets standards” or above.

For employees hired before July 1, 2017, merit increases shall be effective on January 1st of each year.

For employees hired on or after July 1, 2017, the first merit increase shall be effective upon the successful completion of their six (6) month probationary period and then annually thereafter on their respective anniversary date. The anniversary date is not a fixed date nor is it the same as the employee’s date of hire with the City. The anniversary date is determined by the date the employee completes the required probationary period for their current position.

Section 6.3 Bilingual Pay

An employee recognized as proficient by the City Manager in Spanish, Chinese, or any other language determined by the City Manager, shall be compensated at a monthly premium rate of two percent (2%) above each employee’s base salary for providing bilingual translation services for the City.

Employees receiving bilingual pay prior to July 1, 2017 shall be deemed as proficient and shall not be required to recertify at any time. Employees hired on or after July 1, 2017 may be required to periodically recertify after their initial recognition as proficient.

Section 6.4 Acting Pay

In the event an employee is assigned by the City Manager or their designee to perform “acting duties” of a higher level (defined as responsibilities beyond or outside of the employee’s current classification), the employee shall receive an additional ten percent (10%) during the acting service period. Such pay shall begin on the first day the additional responsibilities are performed and shall be paid at the increased rate for the entire pay period. Upon conclusion of the acting service period, the employee shall return to their previous pay scale.

Section 6.5 Overtime

The City shall pay overtime in compliance with the Fair Labor Standards Act (FLSA). Employees are eligible for the payment of overtime for all hours worked in excess of forty (40) hours in a workweek.

For the purpose of calculating overtime, “hours worked” includes all hours in a paid status, including but not limited to regular hours worked, vacation leave, sick leave, holidays, bereavement leave, compensatory time off or any other paid leave of absence.

Regular overtime shall be paid at the rate of one and one-half (1½) times the employee’s hourly FLSA rate. When applicable, double time shall be paid at the rate of two (2) times the employee’s hourly FLSA rate.

Section 6.6 Compensatory Time

Eligible employees who elect to accrue compensatory time in lieu of the payment for overtime shall indicate it on their time sheet. Such compensatory time shall accrue at the same rate as the applicable overtime.

The maximum accrual for compensatory time shall not exceed one hundred and twenty (120) hours at any point in time.

Requests to use accrued compensatory time must be submitted in writing to the department head or supervisor at least one (1) week prior to the requested time off. Such requests shall not be unreasonably denied.

An employee may elect to cash-out accrued compensatory time at their discretion, at any time, to be paid on the next regular pay date at the employee’s rate of pay at the time of the payment. At such time an employee terminates service with the City, cash payment shall be made for all accrued compensatory time at the employee’s rate of pay at the time of the payment.

Section 6.7 Longevity Pay

The City shall continue to pay a longevity premium rate, above the employee's base salary, to eligible employees as follows:

- Employees hired prior to 2001 – ten percent (10%)
- Employees hired between 2001 & 2005 – five percent (5%)

For the purpose of this section, the employee's date of hire is the calendar year in which the employee was initially hired full time with the City.

Employees hired in 2006 or later are not eligible to receive a longevity premium.

Section 6.8 Standby Pay

The purpose of assigning employees to standby duty is to ensure the City has qualified employees ready and available to respond, without delay, to after-hours operational needs and/or emergencies on behalf of the City.

Qualified employees may be assigned to standby duty on a rotational basis. Such assignments will be conducted on a voluntary basis; however, in the event there is a lack of volunteers the City may assign employees to standby duty, as needed, to ensure appropriate coverage.

Employees assigned to standby duty are required to:

- Be reachable by telephone or other communication device within fifteen (15) minutes of the request; and
- Be able to be physically on-site in the City in no greater than sixty (60) minutes of the request; and
- Refrain from participation in activities which might impair their ability to perform duties.

In the event the City assigns an employee to standby duty, the employee shall be compensated as follows for such standby duty:

A. Weekday Standby Duty

An employee assigned to standby duty on Monday through Friday shall receive two (2) hours pay at the regular hourly rate for each day the employee is assigned to standby.

B. Weekend Standby Duty

An employee assigned to standby duty on a Saturday or Sunday shall receive four (4) hours pay at the regular hourly rate for each day the employee is assigned to standby.

Compensation for any work performed while on standby duty shall be made in accordance with Section 6.11 below.

Section 6.9 Callback Pay

An employee who performs work on behalf of the City outside of their regularly scheduled hours shall be compensated at the appropriate overtime rate in accordance with this article. This includes, but is not limited to making, receiving and/or responding to telephone inquiries to/from other City personnel during off-duty hours, reporting to work earlier than scheduled, or reporting to work on a regularly scheduled day off.

Call back commences upon receipt of the request/need to perform work on behalf of the City. The minimum period to be compensated for each physical callback shall be two (2) hours. The minimum period to be compensated for each telephonic or remote callback shall be one (1) hour. Any time worked in excess of these guaranteed minimum payments shall be paid in a minimum of fifteen (15) minute increments for the additional actual time worked during each callback. All portal-to-portal travel time required for a call back shall be considered hours worked and included for the purpose of calculating payment.

There shall be no duplication or pyramiding of call back rates under this section.

For example: If an employee is called back to perform work at a physical location at 8:00 P.M. and completes the task by 9:00 P.M., and then receives a second call back assignment at 9:30 P.M. (while still on duty for the first call back), the employee would receive the single two (2) hour guaranteed minimum payment plus any additional time worked paid in minimum fifteen (15) minute increments. However, if the employee subsequently receives another call back after 10:00 P.M. a new guaranteed minimum payment would apply.

ARTICLE 7 – HEALTH BENEFITS AND INSURANCE

Section 7.1 Dental/Optical Care (DOC) Plan

The City's contribution to the DOC Plan for the reimbursement of dental, orthodontic, audio and optical expenses shall be two thousand dollars (\$2,000) per fiscal year for each employee. If the employee is unable to use any amount due to circumstances beyond

their control, the amount will carry over for 6 months after the end of the cause for the delay, with City Council approval.

Employee claims shall be processed and paid based on invoices and/or paid receipts.

If the City desires to use a third party administrator for the DOC Plan and/or convert to the use of Health Savings Accounts (HSA) or similar individual reimbursement account, the parties agree to meet and consult on the issue. In the event of the use of a third party administrator or HSA, the City shall pay all associated costs/fees. There shall be no increase in costs for the employees.

Section 7.2 Medical Insurance

- A. The City shall provide medical group coverage through CalPERS and employees may choose from any of the regionally offered health plans.
- B. The City shall pay one hundred percent (100%) of the premiums, but not to exceed the cost of the premiums for the second (2nd) highest cost medical plan available each year in Region 3 (i.e. Anthem Traditional for 2021), at each applicable level of coverage (i.e. Single, 2-Party, or Family).

Should an employee choose a plan with a higher premium than the second (2nd) highest cost medical plan for Region 3, the difference between the premiums shall be paid by the employee via payroll deductions from the employee's wages on a monthly basis.

- C. The City shall not pay for any increases in deductibles, co-payments, maximum out-of-pocket expenses, costs of prescriptions, etc., that are the result of changes in the individual plans by CalPERS.
- D. Medical Waiver Option

Employees who provide proof of adequate comparable group medical coverage from another source may opt to waive enrollment in a City sponsored health plan and instead receive a monthly payment of five hundred dollars (\$500).

Section 7.3 Long Term Disability

The City will continue to provide a long-term disability plan with the following benefits:

- a) Benefits shall be payable to eligible employees after a thirty (30) day calendar year waiting period;

- b) Benefits shall be sixty-six and two-thirds (66⅔%) of the employee's base monthly salary, not to exceed six thousand dollars (\$6,000) per month; and
- c) Benefits shall continue until age 65.

The City shall pay the premium for the long-term disability plan. Long-term disability benefits shall be governed by the terms of the long-term disability insurance policy between the City and the insurance company providing the long-term disability insurance to the City.
