

**NOTICE OF AVAILABILITY FOR PUBLIC REVIEW AND COMMENT
FOR THE CITY OF LA PUENTE HOUSING ELEMENT UPDATE**

TO: Responsible Agencies, Interested Organizations, and Members of the Public

PROJECT DESCRIPTION: The City of La Puente is mandated by California State Law to prepare a Housing Element update for State certification. This update will cover the housing planning period between 2021 and 2029, often referred to as the 6th Cycle. The City’s existing Housing Element was adopted in 2013 and is set to expire in October 2021. The State Department of Housing and Community Development has provided a Regional Housing Needs Allocation (RHNA) to the Southern California Association of Governments (SCAG) and the City of La Puente has been assigned a RHNA of 1,929 units by SCAG for the upcoming 2021-2029 housing cycle across various income levels. The updated Housing Element will provide the capacity to accommodate the RHNA for the planning period with the necessary goals and policies to ensure adequate availability in the City during the housing cycle. No physical development or construction of housing is proposed with this Housing Element Update, as the project is an administrative procedure of updating the City’s Housing Element document.

NOTICE IS HEREBY GIVEN: The City of La Puente is circulating the 6th Cycle Housing Element Update for a 30-day public review and comment period for responsible agencies, interested organizations and members of the public. This comment period begins on November 10, 2021 and will end on December 13, 2021. Public hearings for the project at the Planning Commission and the City Council are anticipated to follow in the winter of 2021 and will be further noticed. Please provide written comments by 5:30 PM on Monday, December 13, 2021 by mail to the City of La Puente, Development Services Department, Attn: Abraham Tellez, 15900 E. Main Street, La Puente, CA 91744 or by email at atellez@lapuente.org.
