About La Puente Dial-A-Ride

La Puente Dial-A-Ride is a curb-to-curb paratransit service provided by the City of La Puente for seniors (55 years of age or older) and persons with disabilities who reside within the City. Shuttles are equipped with wheelchair lifts for non-ambulatory riders. The La Puente Dial-A-Ride is a shared ride program which means that other customers may be picked up or dropped off on the way to your destination. Therefore, expect trips on Dial-A-Ride to take longer than a direct trip. During peak demand periods, taxis may be dispatched if the shuttle is full.

How is Dial-A-Ride service funded?

The program is funded through Proposition A funds, a 1/2 cent tax approved by the voters of Los Angeles for public transportation programs. Everyone benefits from public transportation programs. There is less traffic, reduced emission due to fewer vehicles, and more importantly, seniors and residents with disabilities without transportation are able to remain an active part of society.

How does Dial-A-Ride work?

Passengers may travel anywhere within the City of La Puente for whatever reason. In addition, passengers may travel up to 5 miles outside the City limits for medical or dental appointments.

Reservations may be made by calling Southland Transit at (626) 330-4000 or, for the hearing impaired, (626) 307-0592 and providing them with the following information:

- 1) Your name and identification number
- 2) Your pick-up & destination addresses
- 3) The time you would like to be picked up and returned
- 4) Any escort or assistant that might be riding with you
- 5) Any special assistance you may require

Reservations must be made at least 24 hours before the requested time. Appointments may be made up to one week in advance. The reservationist will attempt to provide you with your requested time, or a reasonable alternative.

Please remember, Dial-A-Ride appointments are available on a "first-come, first-serve" basis.

If you need to cancel your appointment, please call at least one hour prior to your scheduled time. If this is not done, it will be considered a "no-show". Multiple "no-shows" during any given month may result in penalties.
