GOALS

The City Council acknowledges the recreational value of La Puente Park (“Park”) to residents and established youth organizations servicing the City of La Puente (“City”) and affirms its commitment to:

- Encourage the use of the Park and Park facilities by residents and community-based organizations for picnics and recreational activities.
- Promote and support community based youth sports organizations.
- Encourage the use of the Park facilities to promote and support sports activities.
- Support the utilization of the Park and recreation facilities while considering the impact upon the parks and the surrounding neighborhoods.

The City does not discriminate on the basis of sex, race, national origin, ancestry, age, marital status, sexual orientation, religion, or disability. The equal protection clauses of the United States and California Constitutions prohibit a public agency such as the City from engaging in racial or ethnic discrimination. Over many years this prohibition has been interpreted to include active participation or support by the City of other individuals or groups who engage in discrimination.

Based on State and Federal constitutional and case law it is the policy of the City to prohibit and discourage discrimination in all the activities, facilities, and services of the City. It is further the policy of the City to prohibit and discourage discrimination by other individuals or organizations actively supported by or participating with the City in such activities, facilities, or services.
