**Annual Budget 2024**

## City Manager's Message Fiscal Year 2023-2024

Dear Honorable Mayor, Members of the City Council and Citizens of La Puente,

It is my privilege to present to you the adopted Budget and Capital Improvement Program for the fiscal year ending June 30, 2024. The budget is not merely an amalgamation of financial data, but rather a rendition of our collective values and priorities. It is simultaneously a policy document, a fiscal plan, an operations guide, and a communications device. The appropriations contained herein reflect continued funding for critical everyday services: sewer, traffic signals and streetlights, animal control, solid waste, and policing. This budget also provides for more aspirational elements, including robust investments in capital infrastructure, youth workforce development programs, and augmentation of public safety service levels in and around La Puente Park.

### Citywide Budgetary Position

The combined expenditure budget for all funds totals \$39,921,900, including \$7,322,600 dedicated to capital improvements, and the combined revenue forecast is \$35,968,100.

### General Fund Budget Overview

The General Fund is the City's largest fund. It finances the majority of day-to-day operations and can be used for any legitimate governmental purpose. The General Fund operating budget for Fiscal Year 2023-2024 is balanced, with expenditures set equal to revenues at \$19,204,900. These consist entirely of operating expenses, as no capital projects have been planned within the fund.

### General Fund Significant Trends

The Consumer Price Index (CPI), a common measure of inflation, has risen by 3.00% in the Los Angeles area over the past 12 months (source: US Bureau of Labor Statistics). This macroeconomic trend has led to price increases in everyday goods and services, and allowances for this have been incorporated into the budget. General fund expenditures, slated at \$19,204,900, show a 2.18% increase from the adopted FY 2022-2023 Budget (\$18,794,500). This is a modest increase considering the expanded service levels and programs being implemented in the new fiscal year.

Property Tax is the largest revenue source in the General Fund, and is budgeted at \$7,654,500. This represents a 5% increase over the previous year budget. This increase follows the general pattern observed each year, and is largely attributable to strong assessed values for the City's residential and commercial real estate stock.

Sales and Use Tax and Sales & Use Tax-Measure LP are forecasted to realize a combined \$7,243,400, a decrease of approximately 1.15% from the adopted FY 2022-2023 amounts. This comes as the result of a shift in the City's retail tax base, with the closure of a significant sales tax generator. Expected decreases notwithstanding, Sales & Use Tax and Measure LP continue to be strong contributors to the General Fund. The opening of new retail establishments in FY 2023-2024 will likely improve this outlook as time progresses, and staff will continue to closely monitor receipts.

Combined, these two tax sources account for over 78% of the General Fund's budgeted revenue portfolio.

### Budget Year Priorities and Goals

As has been the case in prior periods, the areas of emphasis contained within the Fiscal Year 2023-2024 budget can be broken down into three main categories: 1) public safety 2) capital infrastructure improvements and 3) quality of life concerns. The following paragraphs describe in greater detail how these goals are connected with budgetary resources:

## Public Safety

As crime rates skyrocket throughout California, the City of La Puente continues to maintain the safety of our residents, business owners, and visitors as a top priority. Over the past 12 months, the City has seen no increase in the rates of violent felonies, owing in large part to proactive policing strategies and the utilization of City staff as an extension of law enforcement resources. In furtherance of this success, the FY 2023-2024 Budget provides an appropriation of \$7,889,800 for the police services contract with the Los Angeles County Sheriff's Department. This is an increase of \$803,200 over the FY 2022-2023 estimated actual expenditure. Included in this area is funding for the Special Assignment Officer (SAO) team, which is a specialized unit focusing on the investigation and enforcement of serious crimes.

The safety of families using the newly constructed recreational facilities at La Puente Park has emerged as a focus going into the new fiscal year. Included in the budget for the Code Enforcement department are significantly expanded service levels in order to achieve this. Budgeted appropriations provide for security patrols by both City staff as well as private security, and around-the-clock monitoring of surveillance cameras.

## Capital Infrastructure Improvements

The FY 2023-2024 Capital Improvement Program (CIP) totals \$7,322,600. This represents a significant investment in the City's infrastructure assets that will provide long-term benefits.

The largest capital project contained within this budget is the Local Streets Pavement Resurfacing project, appropriated at \$5,376,100. This project is an ambitious plan for replacing aging and deteriorated asphalt on numerous residential and collector streets, with the goal of improving the quality of transportation within city limits. Financing for this project is available through a variety of special revenue funds including Proposition C, Measure M, Measure R, SB1/RMRA, and the remaining funds from the 2019A & B debt issuance.

Roadway and pedestrian safety have long been important priorities for the City, and this year's CIP makes no exception. The Crosswalk Enhancements project identifies eight locations near schools within the City and dedicates \$1,203,600 to upgrading crosswalks to include new safety features for children and parents. Other pedestrian safety improvements scheduled for FY 2023-2024 include the installation of a HAWK (High Intensity Activated Crosswalk Beacon) at the intersection of Hacienda Blvd. and Pritchard. This signal will allow pedestrians to cross Hacienda Blvd. in order to access La Puente Park, controlling traffic for safer access. \$305,000 has been set aside from Measure M funds for this project.

## Quality of Life Enhancements

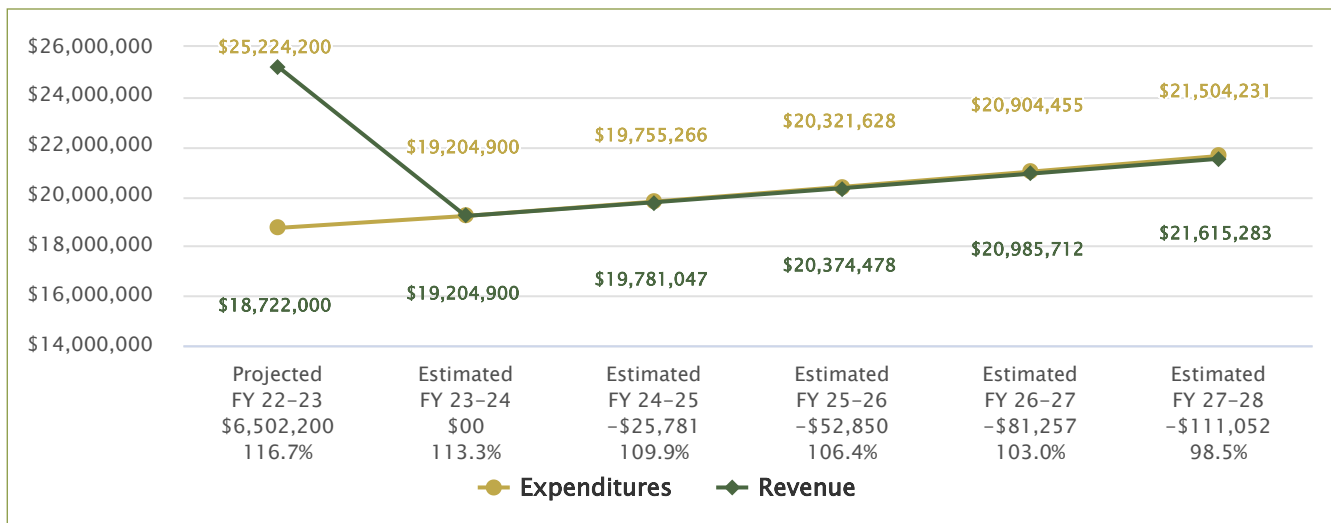

Addressing homelessness is a longstanding matter of importance for the City Council. As such, the FY 2023-2024 Budget once again authorized four (4) full-time positions for Programs, Reemployment, and Outreach Services (PROs) Team. These employees provide critical services in the field to unhoused and displaced individuals, including referring them to housing and job resources, mental health evaluation, and substance abuse programs. They work closely with local law enforcement and social services partners to ensure that the City environment is maintained in a healthy and safe manner, meanwhile respecting the rights of each individual.

\$3.3 million has been appropriated for the ongoing Youth Workforce Development Program. The City, having received a grant from the Californians for All Job Corps program, has partnered with three local non-profit community based organizations to provide meaningful employment opportunities for individuals aged 18-30 in the local community. The intention of the program is for participants to gain knowledge, skills, and certifications that can be applied to full-time work in the future. Many program participants work throughout City facilities and are engaged in cleanup of the City rights-of-way.

## Long-Term Outlook

The City maintains five year operating projections for revenues and expenditures. City policy dictates the adoption of a balanced budget each year, maintaining the structural integrity of fund balances. If operating expenditures exceed revenues in any given year, fund balance is required to subsidize the shortfall. Consistent use of fund balance to finance ongoing agency operations can deplete resources in the long run, and avoiding this necessity is an important part of the City's financial strategy. A noteworthy exception is the utilization of fund balance for the purpose of capital improvement (CIP) projects, which are one-time investments in the community's long-term viability. The graph below offers a depiction of the City's five year revenue and expenditure predictions.

### General Fund Reserves

The City’s budget policy requires that the City maintain an undesignated, unappropriated reserve amount of at least 25% of annual general fund budgeted expenditures. This means that the City must have in savings funds worth at least 25% of one year’s expenditures. The Government Finance Officers Association recommends maintaining a 40% ratio as a measure of protection against future periods of declining revenues. Fiscal Year 2023-2024 ending reserve balance is forecasted to be \$22,417,785 or 117% of budgeted general fund expenditures. These robust reserves can lessen the impact of reductions in revenue due to recessions and other disruptions to the economic cycle. According to the California State Auditor’s Office, the City of La Puente ranks 24th best out of all cities in the Los Angeles/Orange County region for the strength of its General Fund reserves. The City attained a perfect “30 out of 30” point score.

### Conclusion

As you peruse the FY 2023-2024 adopted budget, I invite you to transcend the numbers and envision the community ideals that these fiscal resources are intended to support and foster. Long term investments in capital improvements, public safety, and workforce development will provide a brighter, safer future for the next generation in La Puente.

I would like to extend my appreciation to the City Council for its responsible fiscal management, and its leadership in adopting a budget that addresses so many issues of local concern. Further, I would like to express my gratitude to the City’s Executive Management for their contributions to the development of this document, as well as the Budget Team including Troy Grunklee, CPA, Director of Administrative Services and Alex Merkel Medina, Finance Manager.

As a final note, my highest gratitude is reserved for the citizens of La Puente. Your commitment to creating a safe, vibrant community is on display every day, and your engagement in civic life is reflective of the most important principles of democracy.

Respectfully Submitted,

Robert Lindsey

## RESOLUTION NO. 23-5802

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA PUENTE, CALIFORNIA, APPROVING THE RECOMMENDED BUDGET AND CAPITAL IMPROVEMENT PROGRAM FOR FISCAL YEAR 2023-2024**

**WHEREAS**, in accordance with Section 2.08.060 of the La Puente Municipal Code, the City Manager has prepared and submitted to the City Council the Fiscal Year 2023-2024 Recommended Budget and Capital Improvement Program; and

**WHEREAS**, the City Council, as the legislative body of the City, has reviewed and accepted the Recommended Budget and Capital Improvement Program; and

**WHEREAS**, the City Council has determined that it is necessary for the efficient management of the City that certain sums of revenue of the City be appropriated to the various departments and activities of the City.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LA PUENTE HEREBY FINDS, DETERMINES AND RESOLVES AS FOLLOWS:**

Section 1. That certain document on file in the office of the City Clerk of the City of La Puente marked and designated "FY 23-24 Budget Book - Requested" has been prepared and submitted by the City Manager, and accepted by the City Council, and is hereby adopted.

Section 2. That the amounts designated, on file in the City Clerk's office and incorporated herein by reference are hereby appropriated from the revenue and unappropriated fund balance of the City of La Puente to the department, fund or activity of the City for which they are designated, and such appropriation shall be neither increased nor decreased except as provided herein.

Section 3. That the legal level of budgetary control shall be at the fund level and total appropriations for each fund may only be increased or decreased by the City Council by passage of a resolution amending the budget.

Section 4. That the following controls are hereby placed on the use and transfer of budget funds:

A. No expenditure of funds shall be authorized unless sufficient funds have been appropriated by the City Council or City Manager as described below:

i. The City Manager may authorize all transfers of funds from account to account within any department.

ii. The City Manager may authorize transfers of funds between departments within the same fund.

iii. The City Manager may delegate to Department Heads the authority to make budget transfers within their own departments.

iv. The City Manager may authorize budget adjustments involving offsetting revenues and expenditures; the City Manager may authorize increases or decreases in an appropriation for a specific purpose where the appropriation is offset by unbudgeted revenue, which is designated for said specific purpose.

B. The City Manager may authorize the expenditure of funds for purchasing and contracts in conformance with Section 2.20 (Purchasing) of the La Puente Municipal Code.

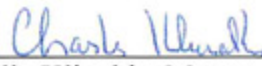

C. The City Manager may authorize change orders on public works contracts in amounts not to exceed ten percent (10%) of contract amounts if sufficient appropriated funds are available.

Section 6. The provisions of this Resolution are severable and if any provision, clause, sentence, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, such illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, sections, words or parts thereof of the Resolution or their applicability to other persons or circumstances.

Section 7. That the City Clerk shall certify to the adoption of this Resolution and that the same shall be in full force and effect.

# City of La Puente Organizational Structure

## La Puente at a Glance Fiscal Year 2023-2024

The City of La Puente is located 20 miles east of downtown Los Angeles in the San Gabriel Valley. The community is predominantly residential, and has a population of 37,303. Commercial areas are located primarily along major thoroughfares, and industrial use accounts for less than five percent (5%) of the City’s 3.5 square mile land area. The City is situated near the 10, 60, and 605 Freeways, facilitating access to all regions of southern California.

The City was incorporated on August 1, 1956; however, the history of the area began several centuries prior. The word Puente means “bridge” in Spanish, and refers to an early bridge built across the San Jose Creek by members of the Portola-Serra expedition in 1769 as they surveyed the region for Spain. A modernized version of the bridge can be seen in the City’s colorful seal.

The modern-day community of La Puente began in 1841 when European settlers arrived by wagon train from New Mexico and obtained title to the huge 48,000 acre Rancho La Puente. During the 1930s, the area was famous for its fruit and walnut groves. The largest walnut packing plant in the world was located in the City.

The City of La Puente is a general law city governed by a five-member City Council. The City Council holds its regular meetings every second and fourth Tuesday of the month at 7:00 p.m. in the City Council Chambers at City Hall. The City is organized into several departments, including: General Governmental, Development Services, Community Services, Public Safety and Administrative Services. The City contracts for law enforcement, fire, engineering and building services, and public works services. The City operates various facilities to serve the community, including a Community Center, Youth Learning Activity Center, Senior Center, La Puente Park, and Nature Education Center.

# GUIDE TO THE BUDGET

**Annual Budget 2024**

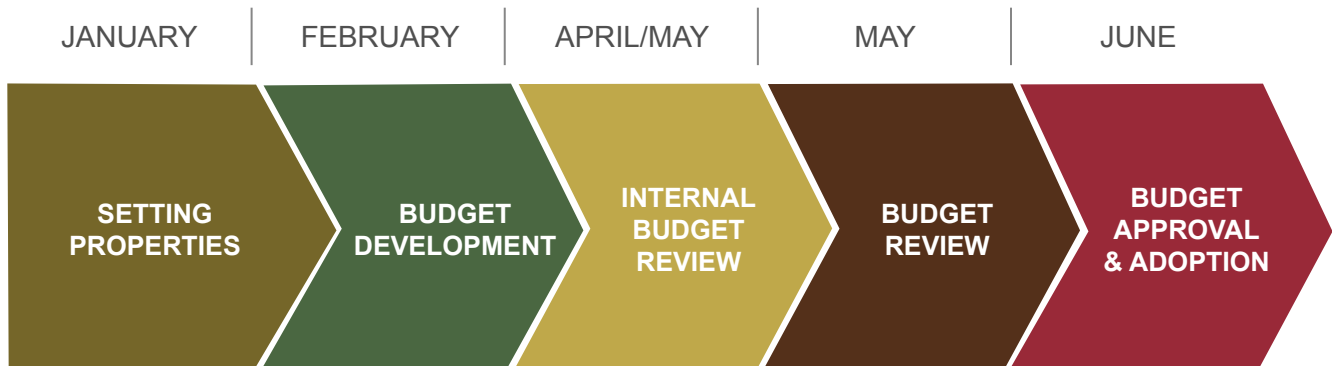

## What is the Budget? Fiscal Year 2023-2024

The La Puente City Council adopts the City's budget annually. The budget is valid for one fiscal year, beginning on July 1st and terminating on June 30th of the subsequent calendar year. All City funds are appropriated in the budget.

The City of La Puente's annual budget is designed to serve four major purposes:

1. **Policy Document** - budget appropriations are the legal authority allowing the City to expend public resources. The budget also represents the City Council's goals and priorities for the year.
2. **Financial Plan** - expenditure, revenue, and fund balance estimates are presented. These can be compared to actual results throughout the year, monitoring the City's financial condition.
3. **Operations Guide** - staff decisions on programming, hiring, and purchasing are made throughout the year. Frequent reference is made to the budget, ensuring that decisions are financially viable and reflective of the City Council's policy.
4. **Communications Device** - the budget allows City staff and elected officials a medium for communicating financial and operational information with the various stakeholders in the community. The budget should focus on transparency in public finance.

## Budget Process Fiscal Year 2023-2024

The City Council develops spending priorities as outlined in the City's adopted strategic plan for the current fiscal year.

City departments begin their budgeting by taking the most recently adopted budget and adjusting for anticipated needs and changes. This may entail new programs, major cost items or reductions in the programs. The Capital Improvement Program is also listed.

All budgetary information is compiled by the Finance Manager and presented to the City Manager. The City Manager then reviews and discusses the proposed budget with departmental management, which may result in revisions or changes to balance the budget.

A study session is held to discuss the budget. The City Council reviews the entire preliminary budget and directs any necessary changes. These meetings are open to the public and the City Council takes into consideration any public testimony regarding the budget.

Once the preliminary budget is finalized, it is then presented to the City Council for approval and adoption. Once adopted, the budget is put into place for the new fiscal year on July 1st.

Once the annual budget is adopted, it may be amended at any time throughout the fiscal year. Budget Amendments may be requested by any department. They are prepared by the Administrative Services Department, approved by the City Manager, and presented to City Council if adoption is required, pursuant to the terms of Fiscal Policy 4 on the following page.

## Fiscal Policies

### Fiscal Year 2023-2024

1. The City's budget shall reflect the goals, values, and priorities of the City Council and is the foundation upon which the operations of the City are planned.
2. The City will ensure that it adopts a General Fund budget in which operating expenditures do not exceed revenues and recurring transfers-in (a balanced budget).
3. The City will endeavor to maintain a financially balanced and stable budget to minimize the effects of economic fluctuation. Each adopted budget will be balanced by using transfers and/or loans from other funds if necessary. Budgeted revenues with transfers/loans will be greater than or equal to total appropriated expenditures. The Annual Comprehensive Financial Report (ACFR) confirms the adoption of a balanced budget and notes any variances.
4. The City Council approves total budgeted appropriations that are prepared by fund, program, and activity. Three levels of budgetary control authority are established as follows: (1) department heads have the authority to transfer appropriations from one object account to another within activities and programs within the same fund; (2) the City Manager is authorized to transfer appropriations between activities and programs within the same fund; and (3) the City Council approves any appropriation amendments between funds.
5. City budget procedures will conform to state regulations and generally accepted accounting principles.
6. Non-recurring revenues will not be used to fund recurring expenditures on an ongoing basis. One-time revenues shall be used for one-time expenditures, including capital items, and for the establishment of reserve accounts. Recurring revenues will fund the required transfers to the Equipment Maintenance & Replacement and Vehicle Maintenance & Replacement funds.
7. The budget will focus on long term financial strength and stability. The budget will include adequate reserves to provide for unanticipated expenditures. A minimum fund balance reserve will be maintained at 25% of the General Fund operating budget at all times.
8. Capital projects shall comply with the City's General Plan and may be funded with revenues, fund balance, or debt. Capital assets are defined by the adopted Capital Assets Policy using cost-based thresholds.
9. Investments and cash management will be the responsibility of the City Treasurer. The City will consolidate cash balances from all funds in order to maximize investment yields. Adherence to the adopted Investment Policy is required.
10. The City shall comply with its adopted Debt Management Policy at all times. It shall acquire new debt as needed, adhere to established debt limits, follow the set forth protocols for debt administration, and maintain proper records.
11. The City shall comply with its adopted Continuing Disclosure Undertaking Policy at all times in order to maintain conformity with securities laws and regulations relating to outstanding debt.
12. The City shall adhere to its adopted Tax Exempt Debt Policy at all times, ensuring continued compliance with federal tax requirements related to the issuance of municipal debt.
13. The City shall adhere to the expenditure authority limits and bidding procedures outlined in the Procurement Policy.

### Assumptions:

Assuming a 3.0% increase annually in taxes and a 2.0% increase annually on the remaining revenues

Assuming a 3.0% increase annually in operating expenses

\*Percentage of expenditures of funding of the following year

Note: City's budget policy requires that the City maintain an unassigned fund balance of an amount equal to at least 25% of budgeted expenditures

# REVENUE SUMMARY

**Annual Budget 2024**

## Revenue Sources

### Fiscal Year 2023-2024

#### Taxes

The items identified as taxes make large contributions to the City's revenue portfolio. Since most taxes are complex and dependent on economic factors, revenue projections are typically completed by consulting firms,

- **Sales & Use Tax** - proceeds from 1% of transaction price on sale of certain goods and services
- **Sales & Use Tax-Measure LP** - half cent sales tax on sale of certain goods and services
- **Property Tax** - revenue from annual ad valorem taxes paid by property owners within City limits
- **Property Transfer Tax** - based on sale and/or transfer of title of real estate within La Puente
- **Franchise Fees** - from companies granted special privileges for continued use of public property (cable and utilities)
- **In-Lieu of VLF Reimbursement** - additional property tax allocation paid by state to rectify loss of Vehicle License Fees
- **Transient Occupancy Tax** - quarterly taxes paid by hotels on gross room rental receipts
- **Business Licenses** - annual business tax calculated based on number of employees and category of operations
- **Lighting & Landscape Maintenance District** - additional property tax assessment on residential and commercial property owners within City limits - restricted purpose of maintaining public facilities

#### Special Revenue Fund Allocations

Allocations are taxes and fees collected by other government agencies and distributed to the City based on a formula. Revenue estimates are typically provided each year by these agencies in advance of budget preparation.

- **Measure R; Measure M; Proposition A; Proposition C** - sales taxes imposed and collected by the Los Angeles County Metropolitan Transportation Authority - apportionment based on population size
- **Measure W** - special parcel tax to be used for stormwater mitigation. Collection and revenue forecasts conducted by Los Angeles County.
- **Gas Tax and Road Maintenance & Rehabilitation Act (RMRA)** - taxes collected by state on fuel purchases and apportioned based on population. Includes subsections 2105, 2106, 2107, and 2107.5.
- **Community Development Block Grant (CDBG)** - federal pass-through grant revenues for community development
- **Air Quality Improvement District** - vehicle registration fees collected by state DMV for clean air purposes
- **American Rescue Plan Act (ARPA)** - one-time federal revenue intended to promote economic growth and community development in the aftermath of the COVID-19 pandemic

#### Grants and Intergovernmental

Awards of funding from other government agencies for special projects. Grant revenues are defined by contract.

- **State Grants** - Youth Reinvestment Grant, Dept. of Parks and Rec Grants, Rivers & Mountains Conservancy Grant
- **County Grant** - reimbursement for certain CIP project costs
- **Motor Vehicle License Fees** - allocation from state DMV for registrants with an address within city limits

#### Use of Money

Refers to interest income earned on investments. The City invests in government and corporate bonds, Certificates of Deposit, and money market instruments. This revenue stream is forecasted using trend analysis.

## Charges for Services

Fees collected for the purpose of reimbursing the City for the cost of providing services to individuals. These revenue accounts are forecasted using trend analysis.

- **Building Plan Check Fees; Zoning Fees; Public Works Inspection Fees; Senior Center Programs; Facility Rental Fees; Recreation Fees; Subdivision Fees; Passport Program Fees; Site Plan Review; Vehicle Impound Fees; Repair to Public Property; Telecommunications Lease/Rental.**

## Licenses and Permits

Revenue generated by issuing permits. Licenses and permit revenues help to defray costs incurred by the City in the process of issuing the license or permit. These revenue accounts are forecasted using trend analysis.

- **Building and Safety Permits** - construction requires applicants to obtain permit and pass City inspection.
- **Special Permits** - film permits, encroachment permits.
- **Animal License Fees** - required for dog and cat owners. Vaccinations are verified and Animal Control Services provided.
- **Business License Application Fee** - required for all business owners within the City. Fee helps offset processing costs.

## Fines and Forfeitures

Revenue collected from penalties for violating laws. These revenues are forecasted using trend analysis.

- **Court Fines** - portion of bail amount for moving violation citations issued within the City.
- **Parking Citations** - tickets issued to motorists violating the parking provisions of the municipal code.
- **Administrative Penalties** - issued to property owners causing a public nuisance or not complying with general municipal code provisions.

## Enterprise Charges

Revenue collected from business-like activities. The sewer is La Puente's only utility. Annual charges are collected from business owners and residents choosing to connect to City sewers. These revenues are forecasted using trend analysis.

- **Sewer Impact Fee; Sewer Maintenance Fee; Sewer Maintenance Fee (CSMD - Capital)**

# GENERAL GOVERNMENT

**Annual Budget 2024**

# City Council

## Summary

The City Council strives to make policies that will achieve the goals and objectives that reflect the will of the residents of the City of La Puente and to provide direction to City Staff to implement programs and projects consistent with those goals and objectives. The role of the City Council is to set policy based on the goals and objectives of the community. The City Council provides direction to City Staff to implement policies made by the City Council. The most important policy tool of the City Council is the annual budget. An important piece of the budget process is determining what the community needs and setting the goals to meet those needs through the budget process.

## FY 2022-2023 Accomplishments

- ★ Secured additional grants from state agencies for park capital improvements and youth workforce development.
- ★ Presided over the Grand Opening of the renovated La Puente Park.
- ★ Implemented programs providing resources to local businesses, nonprofit organizations and youth sports teams.

## FY 2023-2024 Goals

- ▶ To dedicate continuing resources to address homelessness and crime prevention.
- ▶ To encourage economic development within the City by supporting the local business community.
- ▶ To oversee the conclusion of activities related to the La Puente Park Master Plan.
- ▶ To meet the needs of the community in its policy making decisions.
- ▶ To represent the interests of the City before regional and State organizations and agencies.

# Human Resources/Risk Management

## Summary

The Human Resources/Risk Management Division is committed to supporting the employees of the City of La Puente through human resources services that promote a work environment characterized by open communications, personal accountability, and fair treatment of all employees through trust, mutual respect, and equal opportunity. The Division is also committed to reducing the financial impact of claims to the City and the corresponding frequency and severity of these events through the application of professional risk management techniques.

The division is also responsible for personnel recruitment, processing background checks, maintenance of personnel records, analyzing and reviewing personnel policies and procedures, monitoring employee evaluations, representing the City in labor negotiations, processing worker's compensations claims, and all other risk management functions.

In addition to its personnel administration duties as part of the General Fund, the Human Resources/Risk Management Division also houses the Citywide Debt Service Fund. In this capacity, the division serves to finance the annual debt service for both the Series 2020A Pension Obligation Bonds and the 2022A Certificates of Participation (COPs). Going forward, the Citywide Debt Service Fund and Human Resources/Risk Management Division will support the annual budget for principal and interest payments on the bond debt service.

# PUBLIC SAFETY

Annual Budget 2024

# Public Safety Services

## Summary

Public Safety is a critical concern of the City. It is the City's endeavor to ensure that residents, business owners and visitors are able to enjoy a safe environment free from crime. The City Manager's Office manages the oversight of the Public Safety budget which includes patrol deployments, station detectives, narcotic detectives, special assignment team, traffic enforcement, motor deputies, gang enforcement, neighborhood and business watch programs, and special event deployment.

The Service Area Sergeant works with the City Manager and is responsible for the oversight of the law enforcement contract and all community policing operations.

Since 1956, the City of La Puente has contracted for policing services with the Los Angeles County Sheriff's Department. Police services are based at the Industry Sheriff's Station. The Special Assignment Team assists patrol deputies and maintains community and intelligence based policing practices with surrounding Sheriff Stations and local police agencies. This specialized team has the resources to provide focused enforcement on areas of concern to the City.

## FY 2022-2023 Accomplishments

- ★ Continued to utilize ALPR camera systems (Automated License Plate Reader) to solve crimes including vehicle thefts, carjackings, and other violent felonies.
- ★ Presented crime statistics to the City Council on a regular basis.
- ★ Responded to and investigated crimes and other incidents occurring within the City.
- ★ Developed and executed strategies for addressing gang violence.
- ★ Worked to address homelessness in conjunction with local organizations.

## FY 2023-2024 Goals

- ▶ Provide direction and oversight to Sheriff Deputies on the Special Assignment (SAO) Team.
- ▶ Address neighborhood quality of life issues including trespassing and vagrancy.
- ▶ Develop targeted enforcement strategies to combat shootings and other violent crimes.
- ▶ Continue outreach efforts to homeless individuals in partnership with other agencies in partnership with the PROS Team.

# JAG Grant Fund

## Summary

The Edward Byrne Memorial JAG is awarded to states and territories by a formula based on population and Part 1 violent crimes. Sixty percent of a state's total allocation flows from the U.S. Department of Justice (DOJ), Office of Justice Programs (OJP), and Bureau of Justice Assistance (BJA) to the state's criminal justice planning agency, the State Administering Agency (SAA). The SAA, in turn, passes a designated percentage (called the Variable Pass Through) to local governments and, through them, to non-profit service providers. The grant is awarded to states and units of local government to support crime prevention.

The Edward Byrne Memorial Justice Grant Program (JAG) allows states and units of local government, including tribes, to support a broad range of activities to prevent and control crime based on their own state and local needs and conditions. Grants funds can be used for local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, and information systems for criminal justice.

# Code Enforcement

## Summary

The Code Enforcement Division is responsible for responding to complaints or inquiries regarding possible violations of zoning, land use, public nuisance, and parking ordinances and restrictions. The Division also identifies and initiates proactive enforcement on significant cases. The Division works with individual property owners to craft work programs and deadlines to achieve compliance. Although achieving voluntary compliance is a primary objective, Code Enforcement staff uses citations and abatement orders to motivate compliance if efforts to achieve voluntary compliance are ineffective.

## FY 2022-2023 Accomplishments

- ★ Expansion of training and safety-focused protocols to better secure the City Park
- ★ Establishment of a City Park Substation, utilized for park monitoring and case admin work.
- ★ Expansion of Parking Enforcement into late PM and early AM hours.
- ★ Implementation of full-time Code Enforcement Officers, to improve case management and expedite case closures.
- ★ Joint Community Services/ Code Enforcement staff safety training via LASD to establish safe community contact protocols.

## FY 2023-2024 Goals

- ▶ Continue the reorganization of the department in order to provide more efficient public services.
- ▶ Continued enforcement of park regulations at City parks and public facilities.
- ▶ Expansion of private security services via the utilization of Blackwater's Dispatch System.
- ▶ Build joint programs with the P.R.O.S. Team to better identify and assist City residents in need.

## Significant Changes

- ★ Increase PT Parking Enforcement Specialists and establishment of Park Monitors

# Emergency Preparedness Services

## Summary

The mission of the Emergency Preparedness Department is to prepare city staff to respond to emergencies as could occur in our city and region. The predominant threat to our region would be from earthquakes. The secondary mission of the division is to inform citizens about individual and family emergency preparedness.

The Emergency Preparedness Department is responsible for maintaining supplies and equipment for emergencies. As such, the City currently maintains supplies such as folding cots, blankets and first aid supplies in four locations in the city. The department is also responsible for training city staff in basic first aid and CPR. The department also provides public outreach and education to the community about their role in preparing themselves and their families to react to emergencies.

## FY 2022-2023 Accomplishments

- ★ Coordinated with Area D Disaster Management.
- ★ Provided support for the winding down of the COVID-19 response.
- ★ Purchased PPE (personal protective equipment).
- ★ Provided staff members with CERT Training.

## FY 2023-2024 Goals

- ▶ Continue preparation and planning for natural and manmade emergencies in the community.

# Animal Services

## Summary

The Animal Services division is a function of the City of La Puente’s Code Enforcement operations. Its function is to provide the residents of La Puente with comprehensive Animal Control Services, which includes field patrol and response, enforcement of City codes and state laws, animal transport and deceased animal disposal, recovered animal sheltering, and pet licensing services and enforcement. The department serves as a liaison between residents and affordable veterinary care and educational programs.

## FY 2022-2023 Accomplishments

- ★ Streamlining of TNR (trap neuter release) program for feral cats, resulting in lower costs and quicker case closures.
- ★ Successful transition to the GO.gov Animal Licensing System.
- ★ Hiring of an FT Office Specialist.
- ★ Partnered with Code Enforcement to address local parking and safety concerns.
- ★ Answered calls for service in a timely and efficient manner.
- ★ Another successful year of a no-kill sheltering protocol via our animal shelter services contract with VIDA.

## FY 2023-2024 Goals

- ▶ Increase use of social media to educate and inform residents.
- ▶ Continue to expand partnerships with HEART and VIDA to provide more free and low-cost pet care, adoptions fairs, and educational services.
- ▶ Host more events at our City Park, focused on affordable pet care and stray adoptions.

The objective is to maintain the City’s infrastructure in a safe and functional condition, and to keep the City appearing aesthetically appealing.

## FY 2022-2023 Accomplishments

- ★ Removed and or covered approximately 175,250 square feet of graffiti within the City’s public right-of-way.
- ★ Completed grid prune trimming of 1,562 parkway trees.
- ★ Painted approximately 12,000 linear feet of curbs for restricted or no parking.
- ★ Painted approximately 1,200 square feet of pavement markings for Stop legends, speed limit, and school zone areas.
- ★ Performed roadway repairs by putting down 20 tons of asphalt patch.

## FY 2023-2024 Goals

- ▶ Continue to provide graffiti abatement services seven days a week.
- ▶ Respond to citizen requests for eradication of graffiti within 24 hours.
- ▶ Perform parkway tree trimming with completion of grid pruning in Zone 1.
- ▶ Replace worn and faded street regulatory signage.
- ▶ Complete sidewalk and curb repairs.

# Transportation – Prop “A” Fund

## Summary

The services include the subsidization of monthly MTA and Foothill Transit bus passes and monthly Metro link rail passes. The purpose of the program is to encourage the use of mass transit to reduce traffic congestion and improve air quality. Prop A funds are also used to provide a fixed route shuttle service for local destinations and a dial-a-ride Paratransit system for seniors and the disabled. Other uses of Prop A funds include the maintenance of bus shelters and providing transportation for special events.

## FY 2022-2023 Accomplishments

- ★ Provided quality local transit services to the community with a total of 74,222 riders on the Link and 1,361 riders on the Dial-a-Ride shuttle.
- ★ Continued the sale of discounted Metro (MTA) and Foothill Transit bus passes totaling 230 passes.
- ★ Installed a new La Puente LINK bus stop at the Arboleda Senior Apartments located at 1040 Unruh Avenue.
- ★ Utilized Prop A funds to replace 10 bus shelters in the City, with new shelters.

## FY 2023-2024 Goals

- ▶ To provide quality local transit services to the community through La Puente LINK and Dial-A-Ride.
- ▶ Continue the provision of bus/rail passes subsidies to encourage the use of mass transit and to make mass transit affordable and convenient to those that do not have private vehicles.

# Building and Safety Services

## Summary

The Building and Safety Services Division ensures the safety and welfare of the public, as well as promoting energy efficiency and a “greener” environment. These goals are achieved by having certified reviewers and inspectors that ensure compliance with the City’s adopted building requirements. Additionally, the Building and Safety Division conducts inspections of substandard properties and provides support to the Code Enforcement Division where substandard structures are involved.

## FY 2022-2023 Accomplishments

- ★ Issued 1,549 building permits and performed 1,391 building inspections.
- ★ Completed 444 residential and 26 commercial building plan check reviews.

## FY 2023-2024 Goals

- ▶ To protect the public by enforcing building regulations that provide for safe buildings in which to live and work.
- ▶ Protect the quality of the urban environment by assisting the Code Enforcement Division in the abatement of substandard structures.
- ▶ Assist the public in understanding the requirements of the building regulations.
- ▶ Provide timely building inspection services for the construction of the Downtown Mixed-Use Building project located at 15861 Main Street.

# Housing and Community Services

## Summary

This division has the responsibility for administering a wide range of grant-funded programs such as the federally funded Community Development Block Grant (CDBG) Program, the state CalHome Loan housing rehabilitation program, and the federal American Rescue Plan Act (ARPA). The division provides financial assistance in the form of low cost home improvement and job retention/creation programs for low and moderate income households, and stimulates the revitalization of older declining neighborhoods through the elimination of slum and blight conditions.

## FY 2022-2023 Accomplishments

- ★ Initiated and completed 6 CDBG funded rehabilitation grants and 3 Cal Home funded loans.
- ★ Approved and delivered 40 American Rescue Plan Act Business Assistance Grants.
- ★ Obtained a grant award from the San Gabriel Valley Council of Governments (SGVCOG) to provide services to individuals experiencing homelessness.
- ★ Developed a Business Start-Up Grant program to assist existing and new businesses.

## FY 2023-2024 Goals

- ▶ Deliver 12 housing rehabilitation grants and 6 loans.
- ▶ Implement the City's first-ever first-time homebuyer down payment assistance program.
- ▶ Deliver 18 Business Start-Up grants to eligible La Puente businesses.

# Community Outreach

## Summary

The City of La Puente’s Community Outreach Division’s Mission is to advocate with, and represent the dignity and rights of people who are, or are on the verge of becoming homeless. Through our Programs, Re-employment, and Outreach Services (PROS), individuals are offered the tools and resources needed to lead self-sufficient lives. By offering multi-disciplinary wrap-around services, those who were once homeless can be prepared for independent futures. Beyond homeless resources, we are here to provide a variety of services and programs to all of our residents, business owners, and visitors.

## FY 2022-2023 Accomplishments

- ★ Performed initial intake and documentation for 110 displaced individuals within the City, offering resources to 100% of those individuals.
- ★ Successfully attained housing, substance abuse rehabilitation, employment, and mental health services for 54 contacted individuals.
- ★ Attained gainful employment for 5 individuals with the City.

## FY 2023-2024 Goals

- ▶ Continue to connect displaced individuals with housing, nutrition, medical care, substance abuse and mental health treatment.

# SUCCESSOR AGENCY

**Annual Budget 2024**

# Successor Agency

## Summary

The Successor Agency (SA) to the former La Puente Community Development Commission prepares the Recognized Obligation Payment Schedules (ROPS). It is then approved by the County Oversight Board as they have the fiduciary responsibility to holders of enforceable obligations as well as to the local agencies that would benefit from property tax distributions from the former redevelopment project area. Property tax revenues are now being used to pay required payments on existing bonds and other related obligations. The remaining property tax revenues that exceed the enforceable obligations are being allocated to cities, counties, special districts and school and community college districts thereby providing critical resources to preserve core public services.

# CAPITAL IMPROVEMENT PROGRAM (CIP)

**Annual Budget 2024**

## CIP Overview

### Fiscal Year 2023-2024

#### Capital Expenditure Definition

The City's Capital Improvement Program (CIP) consists of the City Council approved projects aimed at improving the City's public infrastructure areas which include: streets and roads, alleyways, sidewalks, sewers, storm drains, traffic signals, streetlights, parks, and public facilities. To qualify as being capital in nature, an expenditure must exceed \$5,000 and have a useful life of at least two years. Capital assets are depreciated based on timeframes defined by City policy based on several categories of long term asset. CIP expenses include design, engineering and construction of permanent structures and do not include repairs, maintenance, and operational costs.

#### Primary Functions

The primary function of the City's CIP is to identify, plan, and account for major capital improvement projects to enhance or improve the various infrastructure systems and public facilities within the City.

#### Goals & Objectives

- Maximize available funding sources, including grant funds, to implement the City's identified CIP projects.
- Complete CIP projects in a timely fashion with the least amount of inconvenience to the public.
- Administer the capital improvement projects so as to minimize the need for change orders and cost overruns.

#### Effect on Operating Budget

- The CIP has no effect on the General Fund for FY 2023/2024.
- 2019A and 2019B Local Roadway Improvement Capital Projects are financed through bond funds, and thus have no effect on the operating budget.
- Special revenue fund CIP projects are funded using a mixture of current year revenues and fund balances.

#### CIP Project Descriptions Fiscal Year 2023-2024

**ADA Transition Plan Implementation** – Completion of miscellaneous items identified in the City's updated Self Evaluation and Transition Plan.

**Crosswalk Enhancements** – Crosswalk safety improvements at the following 8 locations near schools in the City: Central Ave. & Albert St., Glendora Ave. & Sierra Vista Ct., Loukelton St. & Del Valle Ave., Main St. & 5th St., Main St. & Bluebonnet St., Orange Ave. & Homeward St., Unruh Ave. & Giordano St., Workman St. & 1st St.

**Local Streets Pavement Resurfacing** - Large scale improvements to local residential streets throughout the City through cold milling the existing asphalt and applying new rubberized asphalt to the street, along with curb and gutter concrete repairs.

**Park & Rec Grant** - Completion of final construction of La Puente Park new sports and recreational facilities.

**High Vis Crosswalk-Old Valley/First** - Pedestrian safety enhancements including high visibility pavement markings and installation of a Rectangular Rapid Flashing Beacon (RRFB).

**HAWK Signal-Hacienda/Pritchard** - Construction of a high intensity activated crosswalk beacon allowing for safe pedestrian traffic crossing Hacienda Blvd. near La Puente Park.

# DESCRIPTION OF FUNDS

**Annual Budget 2024**

## Description of Funds

### Fiscal Year 2023-2024

The fund types used by the City are as follows:

#### Governmental Funds

**General Fund** accounts for the revenues and expenditures used to carry out basic governmental functions of the City such as general government, public safety, public works, community development, and recreation services. Revenue is recorded by source (e.g., property taxes, licenses and permits, intergovernmental, charges for service, and fines and forfeitures). General Fund expenditures include the day-to-day operating expenditures, equipment, and capital improvement costs that are not paid through other funds. They are recorded by major functional classification and operating departments. This fund accounts for all financial transactions that are not properly accounted for in another fund. The General Fund utilizes the modified accrual basis of accounting.

**Special Revenue Funds** account for the revenues derived from specific revenue sources, which are usually required by law or administrative regulation to be accounted for in separate funds. The Special Revenues Funds are restricted to expenditures for specified purposes. Special Revenue Funds utilize the modified accrual basis of accounting.

- **Gas Tax Fund** accounts for gasoline taxes received by the City. These funds are apportioned under the Streets and Highways Code, Sections 2103, 2105, 2106, 2107, and 2107.5 of the State of California. These funds are earmarked for street maintenance, rehabilitation, or improvement of public streets.
- **RMRA (SB1) Funds** accounts for gasoline taxes received by the City. These funds are apportioned under the Streets and Highways Code Section 2032 (h) of the State of California. These funds are earmarked for basic road maintenance, rehabilitation, and critical safety projects on the local streets and roads system.
- **Measure M Fund** accounts for the new one half-cent (.5%) sales tax that was approved by Los Angeles County voters in November 2016. Measure M will increase to 1% on July 1, 2039 when Measure R expires. Proceeds from the sales tax are to be used for street and transportation projects.
- **Measure R Fund** accounts for a one half-cent (.5%) sales tax for Los Angeles County approved by voters in 2008. Measure R funds are to be used to finance new transportation projects and programs. Measure R is set to expire in 2039.
- **Prop A Transportation Fund** reflects the financial activity related to the City's share of Los Angeles County Proposition A Local Return sales tax dollars. This one cent (1%) sales tax was approved by voters in 1980. Expenditures related to fixed route and paratransit services, transportation demand management, transportation systems management and fare subsidy programs are examples of eligible uses of Proposition A Local Return Funds.
- **Prop C Transportation Fund** accounts for the City's share of the Los Angeles County Proposition C Local Return sales tax dollars. This one-half cent (.5%) sales tax was approved by voters in 1990. These funds can be used for congestion management programs, bikeways and bike lanes, street improvements supporting public transit service and pavement management system projects.
- **Local Transportation Fund** accounts for Transportation Development Act Article 3 Funds received from Los Angeles County. TDA funds are allocated annually on a per capita basis. These funds are to be used for activities relating to pedestrian and bicycle projects.
- **Highway Safety Improvement Program (HSIP) Fund** accounts for grants received from the Department of Transportation for specific capital improvement projects. These funds are to be used on transportation projects that improve the safety of its users.
- **Safe Routes to School (SR2S)** accounts for grants received from the Department of Transportation. These funds are intended to fund projects that improve safety and efforts that promote walking and bicycling within a collaborative community framework.
- **Supplemental Law Enforcement Fund** - State COPS Fund accounts for funds received from the State of California under AB 3229 for the purpose of the Citizens Option for Public Safety (COPS) program. These funds are used for front-line law enforcement services.
- **Edward Byrne Memorial Justice Assistance (JAG) Grant** accounts for grants received from the United States Department of Justice for the purpose of reducing crime and improving public safety.

- **Office of Traffic Safety Fund** accounts for fees collected for the impoundment of vehicles at a La Puente Traffic Offender Program (LAPTOP) check point.
- **Asset Seizure Fund** accounts for the revenue received from asset forfeiture fines. This fund is used to support law enforcement.
- **Community Development Block Grant Fund** accounts for funds received from the Department of Housing and Urban Development (HUD). The funds are used to revitalize neighborhoods through housing rehabilitation, expand affordable housing and economic opportunities, and improve community facilities and services, primarily to benefit low and moderate income families.
- **Cal Home Grant Fund** accounts for the costs for the housing rehab construction loan program.
- **Air Quality Management District Fund** accounts for clean air fees collected by the State and distributed by the Southern California Air Quality Management District to cities for clean air project expenditures. This fund is used to fund programs to reduce air pollution from mobile sources such as cars, trucks, and buses.
- **PEG Access Cable Fund** accounts for funds received from cable television providers as part of the franchise fees to develop public, educational, and governmental access to cable television.
- **Miscellaneous Grants Fund** accounts for smaller state and local grants that do not fit into other special revenue funds. Examples of grants in this category are the Foothill Transit grant and Cal-Recycle grants.
- **Measure A – Safe Parks Fund** accounts for the new annual parcel tax of 1.5 cents per square foot of development. Proceeds from the parcel tax will go to help protect and maintain our neighborhood parks.
- **Measure W Fund** - funding for storm water system maintenance and construction from LA County.
- **Lighting & Landscape Maintenance District Fund** – The City acquired Lighting Maintenance District 1744 from the County of Los Angeles on July 1, 2017. Additionally, with the assistance of the local legislature, a bill was passed reconstructing the District from a 1911 Act to a 1972 Act district. This fund accounts for tax revenues received and the associated district expenditures.
- **Housing Fund** accounts for revenue received and expenditures made for affordable housing. The primary sources of revenue are from loan repayments generated from the use of the former Community Development Commission’s Low and Moderate Income Housing Fund.
- **American Rescue Plan Act Fund** is a one-time federal funding source encouraging economic growth and community development post COVID-19.

**Debt Service Funds** are used to separately account for principal and interest payments due from bond issuances. They are funded using a transfer-in from the fund responsible for payment. The debt service fund then uses these proceeds to pay the bond trustee. Debt Service Funds utilize the modified accrual basis of accounting.

- **Series 2019A Debt Service Fund** administers principal and interest payments for 2019A (Measure M) bonds.
- **Series 2019B Debt Service Fund** administers principal and interest payments for 2019B (Measure R) bonds.

**Capital Projects Funds** are used to provide funding sources for CIP projects, including design and construction. They utilize the modified accrual basis of accounting.

- **Series 2019A Capital Project Fund** provides for City-wide street pavement improvement projects.
- **Series 2019B Capital Project Fund** provides for City-wide street pavement improvement projects.

## Proprietary Funds

**Enterprise Funds** account for the sale of goods and services to the public for a fee. Their proceeds can only be expended for related purposes. Enterprise Funds utilize the full accrual basis of accounting for financial reporting.

- **Sewer Construction & Maintenance Fund** accounts for the sewer service charge exclusively funding the operation, maintenance, capital costs and debt service payments of the City’s sewer system. An ordinance was adopted on August 8th, 2006 to collect sewer service fees on parcels within the City. The annual amount charged for sewer service to each parcel is based on flow and strength studies prepared by Los Angeles County Sanitation District which determines the hydraulic loading and strength characteristics of each customer class. Sewer rate fees have remained the same since the adoption of this fee. On March 10, 2009, the City Council adopted Resolution No. 09-4784, pursuant to Section 5853 of the Streets and Highways Code, to withdraw from the Consolidated Sewer Maintenance District of the County of Los Angeles (“CSMD”) and undertake the operation and maintenance of the City’s sewer system beginning July 1, 2010.

**Internal Service Funds** are used to account for equipment management and information technology (IT) services, performed internally by the department for the user departments as well as vehicle maintenance and replacement. Other than the interest earned on investments, it is basically a chargeback to various departments based on the actual usage and costs associated with vehicle and equipment services and I.T. related costs. Internal Service Funds utilize the full accrual basis of accounting for financial reporting.

- **Equipment Maintenance & Replacement Fund** accounts for costs for IT services include the citywide computer network and accounting software support. Costs of equipment and services used are accumulated in this fund and proportionately charged back to departments based on the number of computers within each department.
- **Vehicle Maintenance & Replacement Fund** accumulates resources to fund the maintenance, operations and replacement of City licensed vehicles and motorized equipment.

### **Fiduciary Funds**

- **Successor Agency Fund** is utilized for the purpose of winding down the affairs of the former La Puente Community Redevelopment Agency. Fiduciary Funds utilize the full accrual basis of accounting for financial reporting.

# DEBT SUMMARY

Annual Budget 2024

## Debt Summary Fiscal Year 2023-2024

### Legal Debt Limit

The City has a legal debt limit of approximately \$384 million calculated pursuant to state law. \$15 million of the City's debt portfolio is currently subject to this limitation, specifically the 2020A Pension Obligation Bonds and the 2022A Certificates of Participation, which are general obligation debt. This indicates that the City is only utilizing 4.00% of its legal debt capacity. All other debt is secured by special revenue sources or uses lease financing.

The following table provides a summary of the City's total debt position, as well as the impact of debt service on the Fiscal Year 2023-2024 operating budget. In total, the City will spend \$2.21 million, or almost 5.50% of its operating budget on debt service in Fiscal Year 2023-2024.

Annual Budget 2024

## Glossary

### Fiscal Year 2023-2024

The La Puente Budget Document contains a number of terms used in a manner unique to public finance. These terms are explained in the following glossary.

**ACCOUNTABILITY.** The state of being obliged to explain one's actions, to justify what one does. Accountability requires governments to answer to the citizenry, to justify the raising of public resources and the purposes for which they are used.

**ACCOUNTING SYSTEM.** The methods and records established to identify, assemble, analyze, classify, record and report a government's transactions and to maintain accountability for the related assets and liabilities.

**ACTIVITY.** A specific and distinguishable service performed by one or more organizational components of a government to accomplish a function for which the government is responsible (e.g., legislative/legal, administration, city clerk, finance, human resources, general, and insurance/surety are activities within the general government function).

**ACTIVITY CLASSIFICATION.** Expenditure classification according to the specific type of activity performed by one of more organizational units.

**ANNUAL FINANCIAL REPORT.** A financial report applicable to a single fiscal year.

**APPROPRIATION.** A legal authorization granted by a legislative body or the City Council to make expenditures and to incur obligations for specific purposes. An appropriation usually is limited in amount and time it may be expended.

**APPROPRIATION/BUDGET RESOLUTION.** A resolution through which appropriations are given legal effect.

**ASSESSED VALUATION.** A dollar value placed on real estate or other property by the County as a basis for levying property taxes.

**ASSET.** An economic resource or probable future economic benefit obtained or controlled by a particular entity as a result of past transactions or events.

**AUDIT.** A review of the City's accounts by an independent auditing firm to substantiate fiscal year-end balances and assure compliance with generally accepted standards for financial accounting and reporting.

**BASIS OF ACCOUNTING.** Methodology determining the timing in which revenues, expenditures, expenses, and transfers — and the related assets and liabilities--

are recognized and reported in financial statements. Accrual basis refers to recording revenue when earned and expenses when incurred. Modified accrual basis, used in governmental funds, does not recognize capital assets, depreciation, or long term liabilities.

**BUDGET.** A plan of financial operation listing an estimate of proposed expenditures and the proposed means of financing them for a particular time period. Used without any modifier, the term usually indicates a financial plan for a single fiscal year. The term "budget" is used in two senses in practice. Sometimes it designates the financial plan presented to the appropriating governing body for adoption, and sometimes, the plan finally approved by that body. The budget is "proposed" until it has been approved by the City Council at which time it is "adopted".

**BUDGETARY COMPARISONS.** Statements or schedules presenting comparisons between approved budgetary amounts (as amended) and actual results of operation on the budgetary basis.

**BUDGETARY CONTROL.** The control of management of a government or enterprise in accordance with an approved budget to keep expenditures within the limitations of available appropriations and available revenues.

**BUDGET DOCUMENT.** The instrument used by the budget-making authority to present a comprehensive financial program to the appropriating governing body. The budget document usually consists of three parts. The first part contains a message from the budget-making authority, together with a summary of the proposed expenditures and the means of financing them. The second consists of schedules supporting the summary. These schedules show in detail the past years' actual revenues, expenditures and other data used in making the estimates. The third part is composed of drafts of the appropriation, revenue and borrowing measures necessary.

**BUDGET-GAAP BASIS DIFFERENCES.** Differences arising from the use of a basis of accounting for budgetary purposes that differ from the basis of accounting applicable to the fund type when reporting on operations in conformity with GAAP. For example, a cash-basis budget would produce a budget-GAAP basis difference.

**BUDGET MESSAGE.** A general discussion of the proposed budget as presented in writing by the budget-making authority to the legislative body. The budget message should contain an explanation of the principal budget items, an outline of government's experience during the past period and its financial status at the time of the message and recommendations regarding the financial policy for the coming period.

**CAPITAL IMPROVEMENT BUDGET.** A plan of proposed capital improvements to be implemented over a period of years and the means of financing them.

**CAPITAL EXPENDITURES.** Expenditures resulting in the acquisition of or addition to the government's general fixed assets. Capital assets have a purchase value of over \$5,000 and a useful life of over 2 years per City policy,

**CONTINUING APPROPRIATION.** An appropriation that once established is automatically renewed without further legislative action, period after period, until altered or revoked. The term should not be confused with intermediate appropriations.

**DEBT.** An obligation resulting from the borrowing of money or from the purchase of goods and services. Debts of governments include bonds, time warrants and notes.

**DEBT PROCEEDS.** The difference between the face amount of debt and the issuance discount or the sum of the face amount and the issuance premium. Debt proceeds differ from cash receipts to the extent issuance costs, such as underwriters' fees, are withheld by the underwriter.

**DEFERRED MAINTENANCE.** The act of not performing (deferring) maintenance at the time it should have been, or was scheduled to be, performed. Maintenance in this context means more than routine preventive maintenance and repairs. It also includes replacement of parts, periodic road resurfacing and other activities needed to maintain the fixed asset at its original contemplated serviceability for its original estimated life.

**DEFERRED REVENUE.** Amounts for which asset recognition criteria have been met, but for which revenue recognition criteria have not been met. Under the modified accrual basis of accounting, amounts that are measurable but not available are one example of deferred revenue.

**DEFICIT.** (1) The excess of the liabilities of a fund over its assets. (2) The excess of expenditures over revenues during an accounting period or, in the case of proprietary funds, the excess of expenses over revenues during an accounting period.

**DEPRECIATION.** (1) Expiration in the service life of fixed assets, other than wasting assets, attributable to wear and tear, deterioration, action of the physical elements, inadequacy and obsolescence. (2) The portion of the cost of a fixed asset, other than a wasting asset, charged as an expense during a particular period. In accounting for depreciation, the cost of a fixed asset, less any salvage value, is prorated over the estimated service life of such an asset, and each period is charged with a portion of such cost. Through this process, the entire cost of the asset is ultimately charged off as an expense.

**ENCUMBRANCES.** Commitments related to unperformed contracts for goods or services. Used in budgeting, encumbrances are not GAAP expenditures or liabilities, but represent the estimated amount of expenditures ultimately to result if unperformed contracts in process are completed.

**ENTERPRISE FUND.** A fund established to account for operations financed and operated in a manner similar to private business enterprise (e.g. sewer maintenance system). In this case, the governing body intends that cost (i.e., expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

**EXPENDITURES.** Decreases in net financial resources. Expenditures include operating expenses requiring the present or future use of net current assets, debt service and capital outlays, and intergovernmental grants, entitlements and shared revenues.

**EXPENSES.** Outflows or other using up of assets or incurrences of liabilities (or a combination of both) from delivering or producing goods, rendering services or carrying out other activities that constitute the entity's ongoing major or central operations.

**FINANCIAL RESOURCES.** Cash and other assets that, in the normal course of operations, will become cash.

**FISCAL YEAR.** A 12-month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations.

**FRANCHISE.** A special privilege granted by a government permitting the continued use of public property, such as city streets, and usually involving the elements of monopoly and regulation.

**FUNCTION.** A group of related activities aimed at accomplishing a major service or regulatory program for which a government is responsible (e.g., City Council, City Clerk, administration, planning/zoning, transit, public works).

**FUNCTIONAL CLASSIFICATION.** Expenditure classification according to the principal purposes for which expenditures are made (e.g. public safety).

**FUND.** A fiscal and accounting entity with a self-balancing set of accounts in which cash and other financial resources, all related liabilities and residual equities, or balances, and changes therein, are recorded and segregated to carry on specific activities or attain certain objectives in accordance with special regulations, restrictions or limitations.

**FUND BALANCE.** The difference between fund assets and fund liabilities of a fund. Fund Balance is increased by revenues and decreased by expenditures.

**FUND TYPE.** Any one of seven categories into which all funds are classified in governmental accounting. The seven fund types are: general, special revenue, debt service, capital projects, enterprise, internal service, and trust and agency.

**GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP).** Uniform minimum standards and guidelines for financial accounting and reporting. They govern the form and content of the financial statements of an entity. GAAP encompasses the conventions, rules and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general application, but also detailed practices and procedures. GAAP provides a standard by which to measure financial presentations.

**GOVERNMENTAL FUND TYPES.** Funds used to account for the acquisition, use and balances of expendable financial resources and the related current liabilities—except those accounted for in proprietary funds and fiduciary funds. In essence, these funds are accounting segregation of financial resources. Expendable assets are assigned to a particular governmental fund type according to the purposes for which they may or must be used. Current liabilities are assigned to the fund type from which they are to be paid. The difference between the assets and liabilities of governmental fund types is referred to as fund balance. The measurement focus in these fund types is on the determination of financial position and changes in financial position (sources, uses and balances of financial resources), rather than on net income determination. The statement of revenues, expenditures and changes in fund balance is the primary governmental fund type operating statement.

It may be supported or supplemented by more detailed schedules of revenues, expenditures, transfers and other changes in fund balance. Under current GAAP, there are four governmental fund types: general, special revenue, debt service and capital projects.

**GOVERNMENTAL-TYPE ACTIVITIES.** Those activities of a government that are carried out primarily to provide services to citizens and that are financed primarily through taxes and intergovernmental grants.

**GRANTS.** Contributions or gifts of cash or other assets from another government to be used or expended for a specified purpose, activity or facility.

**INFRASTRUCTURE ASSETS.** Public domain fixed assets such as roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, lighting systems and similar assets that are immovable and of value only to the government unit.

**INTERFUND TRANSACTIONS.** Transactions between funds of the same government reporting entity. They include (1) quasi-external transactions, (2) reimbursement, (3) residual equity transfers, (4) operating transfers and (5) inter fund loans.

**INTERFUND TRANSFERS.** All inter-fund transactions except loans, quasi-external transactions and reimbursements. Transfers can be classified as belonging to one of two major categories: residual equity transfers or operating transfers.

**INTERGOVERNMENTAL REVENUE.** Revenues received from other governments in the form of grants, entitlements, shared revenues or payments in lieu of taxes.

**INTERNAL SERVICE FUND.** A fund used to account for the financing of goods or services provided by one department or agency to other department or agencies of a government or to other governments, on a cost reimbursement basis.

**LEVY.** (1) (Verb) To impose taxes, special assessments or service charges for the support of government activities. (2) (Noun) The total amount of taxes, special assessments or service charges imposed by a government.

**MEASUREMENT FOCUS.** The accounting convention that determines (1) which assets and which liabilities are included on a government's balance sheet and where they are reported there, and (2) whether an operating statement presents information on the flow of financial resources (revenues and expenditures) or information on the flow of economic resources (revenues and expenses).

**NET INCOME.** Proprietary fund excess of operating revenues, non-operating revenues, and operating transfers in over operating expenses, non-operating expense and operating transfers out.

**NON OPERATING EXPENSES.** Proprietary fund expenses not directly related to the fund's primary activities (e.g., interest).

**NON OPERATING REVENUES.** Proprietary fund revenues incidental to or byproducts of, the fund's primary activities.

**OBJECT.** As used in expenditure classification, applies to the article purchased or the service obtained, rather than to the purpose for which the article or service was purchased or obtained (e.g. personal services, contractual services, material and supplies).

**OPERATING BUDGET.** Plans of current expenditures and the proposed means of financing them. The annual operating budget is the primary means by which most of the financing, acquisition, spending and service delivery activities of a government are controlled. The use of annual operating budgets is usually required by law. Even when not required by law, however, annual operating budgets are essential to sound financial management and should be adopted by every government.

**OPERATING EXPENSES.** Proprietary fund expenses related directly to the fund's primary activities.

**OPERATING GRANTS.** Grants that are restricted by the grantor to operating purposes or that may be used for either capital or operating purposes at the discretion of the grantee.

**OPERATING TRANSFERS.** All inter fund transfers other than residual equity transfers (e.g. legally authorized transfers from a fund receiving revenue to the fund through which the resources are to be expended).

**ORDINANCE.** A formal legislative enactment by the governing body of a municipality. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the municipality to which it applies. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Ordinarily, the statutes or charter will specify or imply those legislative actions that must be by ordinance and those that may be by resolution. Revenue-raising measures, such as the imposition of taxes, special assessments and service charges, universally require ordinances.

**OTHER FINANCING SOURCES.** Governmental fund general long-term debt proceeds, amounts equal to the present value of minimum lease payments arising from capital leases, proceeds from the sale of general fixed assets, and operating transfers in. Such amounts are classified separately from revenues on the governmental operating statement.

**OTHER FINANCING USES.** Governmental fund operating transfers out and the amount of refunding bond proceeds deposited with the escrow agent. Such amounts are classified separately from expenditures on the governmental operating statement.

**PAY-AS-YOU-GO BASIS.** In the context of pension accounting and risk management, the failure to finance retirement obligations or anticipated losses on a current basis, using an acceptable actuarial funding method.

**PREPAID ITEMS.** Payment in advance of the receipt of goods and services in an exchange transaction. Prepaid items (e.g. prepaid rent and unexpired insurance premiums) differ from deferred charges (e.g. unamortized issuance costs) in that they are spread over a shorter period of time than deferred charges and are regularly recurring costs of operations.

**REVENUES.** (1) Increases in the net current assets of a governmental fund type from other than expenditure refunds and residual equity transfers. Also, general long-term debt proceeds and operating transfers in are classified as "other financing sources" rather than as revenues. (2) Increases in the net total assets of a proprietary fund type from other than expense refunds, capital contributions and residual equity transfers.

**REVOLVING FUND.** (1) An internal service fund. (2) An imprest account accounted for as an asset of a fund.

**RISK MANAGEMENT.** All the ways and means used to avoid accidental loss or to reduce its consequences if it does occur.

**SELF-INSURANCE.** A term often used to describe the retention by an entity of a risk of loss arising out of the ownership of property or from some other cause, instead of transferring that risk to an independent third party through the purchase of an insurance policy. It is sometimes accompanied by the setting aside of assets to fund any related losses. Because no insurance is involved, the term self-insurance is a misnomer.

**SELF-INSURANCE.** A term often used to describe the retention by an entity of a risk of loss arising out of the ownership of property or from some other cause, instead of transferring that risk to an independent third party through the purchase of an insurance policy. It is

sometimes accompanied by the setting aside of assets to fund any related losses. Because no insurance is involved, the term self-insurance is a misnomer.

**SERVICE ASSESSMENTS.** Special assessment projects for operating activities that do not result in the purchases or construction of fixed assets. Often such service assessments are for services that are normally provided to the public as general government functions and that would otherwise be financed by the general fund or a special revenue fund. Those services include street lighting, street cleaning and snow plowing. Financing for these routine services typically comes from general revenues. However, when routine services are extended to property owners outside the normal service area of the government or are provided at a higher level or at more frequent intervals than that provided the general public, special assessments are sometimes levied.

**SINGLE AUDIT.** An audit performed in accordance with the Single Audit Act and Office of Management and Budget (OMB) Circular A-133, Audits of State and Local Governments. The Single Audit Act allows or requires governments (depending on the amount of federal assistance received) to have one audit performed to meet the needs of all federal grantor agencies.

**SPECIAL ASSESSMENT.** A compulsory levy made against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

**SPECIAL ASSESSMENT ROLL.** The official list showing the amount of special assessments levied against each property presumed to be benefited by an improvement or service.

**SPECIAL REVENUE FUND.** A fund used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) that is legally restricted to expenditure for specified purposes.

**TAXES.** Compulsory charges levied by a government to finance services performed for the common benefit. This term does not include specific charges made against particular persons or property for current permanent benefits.

**TRUST AND AGENCY FUND.** Fund used to report resources held by the reporting government in a purely custodial capacity.
