

ADDENDUM NO. 1
REQUEST FOR PROPOSALS
FOR
TRAFFIC SIGNAL MAINTENANCE
IN THE CITY OF LA PUENTE

This Addendum forms a part of the Request for Proposal (RFP) for the above-identified service and modifies the original specifications and documents, as noted below. Portions of the RFP not specifically mentioned in this Addendum shall remain in full force and effect. Any proposal not incorporating this Addendum shall be considered an incomplete bid. All trades affected shall be fully advised of these changes, deletions, and additions.

RFP DOCUMENTS AND SPECIFICATIONS

The following are compiled questions and RFIs received by the deadline 3:00pm, Friday, October 16, 2026. Responses to questions and RFIs are included in "red" below.

- 1. Sample Agreement: May proposers include proposed exceptions to the Sample Agreement (Appendix 6) with their proposals? If so, will those exceptions affect the responsiveness or evaluation to the proposal?**

The Sample Agreement in Appendix 6 of the RFP was recently updated and verified by City's legal counsel and found to be adequate as to form and content. Without knowing the nature or extent of the proposed exception(s), the City cannot make a determination. Applicants shall keep in mind that the City may choose to discuss components of their proposal during negotiations, and that the City also reserves the right to reject all proposals.

- 2. Due Date: Due to the short turnaround on this proposal, would the city be willing to extend the deadline by 2 weeks?**

The City has agreed to extend the due date to November 2, 2026. Note that the extension may affect the City Council award date, which was tentatively set for December 8, 2026. The timeframe allowed for timely negotiations and preparation of the final agreement.
